DESCRIPTION

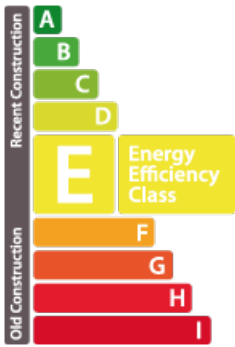

Exceptional penthouse at the top of the city center - A unique work of architecture
Located on the top floor of downtown's highest building, this rare penthouse offers breathtaking panoramic views and exceptional luminosity thanks to its large bay windows. Every detail has been meticulously designed and tailored from floor to ceiling, including the machine-sculpted doors, creating a refined, modern setting. What's more, this rare property offers unique flexibility: it is a mixed-use option, enabling both a professional headquarters and a residence to be established, ideal for those seeking a work and living space in a prestigious setting. This possibility offers a rare opportunity, combining both living comfort and professional functionality. The entire apartment, from the marble floor to the granite kitchen with Chinese lacquer elements, has been designed with exceptional precision and exacting standards. The kitchen, equipped with Miele appliances (steam oven, microwave and traditional ...
